## Why The Aruba Awning?

- ◆ Saves you \$ by reducing energy cost.
- ◆ Keeps your home cooler.
- ◆ Prevents furniture & drapes from fading.
- ◆ Protects your entrance, porches, and steps.
- ◆ Strong and lightweight they will not rust, rot, or tear.
- ◆ A smart investment to add value to your home.
- ◆ Made in America.

## Aruba Awning Features Include:

- ◆ Baked on enamel paint over aluminum for maintenance free care.
- ◆ Stainless steel screws are used in assembling to prevent rust discoloration.
- ◆ Solid-top design provides the ultimate protection; while the ventilated ends allow cool breezes to flow.
